The Hope Plantation Collection is created exclusively in the shop of Wright Horne Furniture Maker, Inc. Here skillful artists, trained in the old ways of working wood, using hand tools instead of power machinery as often as possible, make beautiful furniture, things which will please the eye as often as one beholds them, things which will last for generations — truly tomorrow's antiques.

The care and precision with which each piece of the Hope Collection is made ensures your pleasure as an owner of a North Carolina treasure.

The furnishings at Hope include pieces in the Queen Anne, Chippendale, William and Mary, Sheraton and Hepplewhite styles. There are also many pieces, built by North Carolina craftsmen, with styles of their own and great charm. From this carefully acquired collection a few dozen items have been selected for reproduction, with an eye to their beauty of design and suitability for life as we live it now.

Photo By Taylor Lewis

A portion of the main dining room at Hope Plantation showing a corner cupboard of stately proportions by the "Flowered Pediment" cabinet maker who worked in the Roanoke River Valley at the end of the eighteenth century. On the table in the foreground are a pair of candlesticks and a hot water urn, examples of Georgian, old Sheffield Plate. The creamware, reticulated chestnut baskets, circa 1810, are signed "Shorthose."

Cover Illustration: A late eighteenth century English pearlware plate (11 ¼ inches diameter), one of several in the collection at Hope Plantation. The decorative arts in England during the eighteenth century were much influenced by the Oriental culture. This influence was brought from England to the American Colonies. It continued after the United States began direct trade with China into the nineteenth century.

# A Letter From The Chairman Of The Board Of Directors

Here in the Albemarle region of our state we have a great responsibility to the people of North Carolina. This responsibility is to preserve such tangible evidence as may remain of the origins and early history of our state. The Historic Hope Foundation, established fifteen years ago, has preserved one segment of our history at Hope Plantation. Your support of this organization shows your interest in sharing this responsibility.

Throughout this program are accounts of the Foundation's activities which will bring you up to date on its accomplishments. As you will see, Historic Hope Foundation has accomplished much for the educational and cultural development in the Albemarle area. The challenges which lie ahead are many, but with your continued support, we will be prepared to meet them.

Many local and state organizations and individuals have helped Historic Hope thrive during the past decade. Wherever we have turned in both the public and private sectors, support has been forthcoming. State and county governmental organizations, the business community and scores of interested private citizens have contributed time, money, historic objects, physical labor and all important, energizing, moral encouragement to our projects. The eighties, we believe, will see many ongoing projects accomplished thanks to the bedrock of their unflagging support. Special recognition is due to many.

We are most grateful for the cooperation of the Bertie Senior High School. Its graphics and business departments provide untold assistance in our annual membership drive, newsletter and "Springtime on the Plantation." Its Chorus gave two beautiful concerts during Christmas at Hope and the Marching Band has added to the dedication of the Samuel Cox House and the opening of the Hope Mansion to the public.

The Hope Foundation is especially indebted to the news media from the local to the national level. Our own "Bertie Ledger Advance," the local radio stations WBTE and WRCS and TV stations WITN and WNCT have always given us excellent coverage. The promotion provided by these various news outlets has brought to the public an awareness of our historic preservation efforts which could not have been accomplished by any other means.

To the North Carolina Department of Cultural Resources and its Division of Archives and History, we express our appreciation for their support and advice which is always welcomed. The services it provides contribute greatly to our accomplishments.

We sincerely thank the advertisers who have made possible the printing of this Souvenir Ball Program. Please read their advertisements and support their businesses. Their interest in Historic Hope Foundation is evidenced by their cooperation for which we are most appreciative.

Our Friends of Hope Committee, established in 1968, has played a most important part in what has been accomplished at Hope Plantation. This committee of fifty dedicated historic preservationists from various areas of North Carolina and other states has faithfully supported the Foundation's effort. Without the help of this dedicated group, under the leadership of its first chairman, Mrs. Ernest L. Ives of Southern Pines, N.C., the Foundation could not have achieved many of its goals.

Since Mrs. Ives' retirement at the end of 1978, we are fortunate to have as the new Friends' Committee chairman L.A. Bailey of Rocky Mount, N.C. Mr. Bailey has been an outstanding member of the committee. Under his leadership, the Hope Foundation can be assured of the continued excellent support which the Friends Committee has provided.

The financial support provided by the Bertie County Board of Commissioners is outstanding. Its funding of our staff at Hope Plantation makes possible the operations of the restoration. The realization by our county commissioners of the importance of historic preservation to our area is most gratifying.

To the many members and friends of the Hope Foundation, we thank you for all that you do in behalf of the restoration. After all, it is what you contribute in time, finances and talent that keeps the Foundation an ongoing organization.

Thank you again for making it possible.

Sincerely,

John E. Tyler  
Chairman of the Board

# Greetings from the President of the Foundation

It is with great pleasure and appreciation that we welcome each of you to our 1980 Governor Stone Ball. Because of you and your continued interest in your historic preservation projects, the Historic Hope Foundation has accomplished many of its goals.

The citizens throughout Northeastern North Carolina give of their time and talents to benefit the Foundation and its projects as well as its functions. This seventh biennial Governor David Stone Ball, for which so many are responsible, is just another example of this wonderful spirit of cooperation and participation which makes Hope live today.

Mrs. Joseph B. Cherry Jr., 1980 Ball Chairman, and her many committees have done an outstanding job. To Della, we can only say thank you for a job well done.

The past two years have been good years for Hope. The Executive Committee of the Board of Directors has met monthly while our full board has met quarterly. We have been particularly fortunate to have had outstanding cooperation from each and every one of you.

As all of you know, the restoration of the Hope Mansion is virtually complete. There are a few furnishings which we will add when they become available, but the major emphasis of our work is now being placed on the King-Bazemore project.

This mid-18th century dwelling was moved from its location five miles west of Hope to the Hope property in March, 1978. Since our last ball in January, 1978, the moving and restoration of this house have been two major concerns of the Hope Foundation's Board of Directors and the Friends of Hope Committee.

Our Friends of Hope Committee has been instrumental in all that we have done, both in the completed restoration of the Hope Mansion and the planned restoration of the King-Bazemore House. We appreciate so much all their kind efforts.

During the months ahead that will pass before the eighth biennial Governor Stone Ball, new tasks will be embraced by all who have so heartily supported Hope in the past. It is because of you that the spirit of Hope is what it is today. The Hope story is a miracle come true and we thank you for all that you have done to help us make our dream of Hope possible.

I extend to each of you my kindest personal regards and wish for you — one and all — a most pleasant evening.

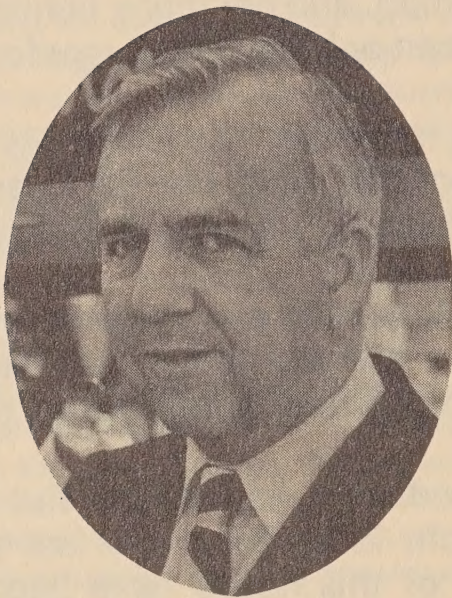

Very sincerely,

John B. Gillam III, President

We regret to announce the death of one of our members, George W. Fearnside, of Southern Pines.

## **L.A. Bailey, New Chairman of Friends Committee**

The Friends of Hope Committee's new chairman, Luther A. Bailey, assumed the demanding position following the resignation of Mrs. Ernest L. Ives of Southern Pines, a loyal Friend who steered this important committee for more than a decade.

A native of Wilson County, Mr. Bailey was educated in the Rocky Mount City Schools and attended the University of North Carolina at Chapel Hill, Executive Program.

Now the Executive Vice President of Belk-Tyler Stores, Mr. Bailey began employment with the North Carolina-based department store chain in 1941 as a part-time stockroom employee. His subsequent career with Belk-Tyler directed him through sales, advertising, floor management and administration.

Mr. Bailey also served in the U.S. Navy, Korean and Far Eastern Theater.

His civic involvements currently include a seat on the Board of Directors and a member of the Trust Committee for Planters National Bank; a member of the Board of Advisors of Chowan College; a member of the University of North Carolina Management Development Corporation; a member of the Business Foundation of the University of North Carolina; and memberships in the Kiwanis Club, Englewood Methodist Church and Benvenue Country Club, all in Rocky Mount.

Mr. Bailey, who is single, resides at 27 Leon Court, Nashville.

Historic Hope Foundation is most fortunate to have this outstanding, energetic North Carolinian to head this very important committee. The work of the Friends Committee means so much to the progress of its historic preservation efforts.

## **Color Brochures Promote Hope**

One investment by Historic Hope Foundation that has yielded high returns in terms of promotion are the color brochures printed a little over a year ago.

Placed in welcome centers along North Carolina's major highways, these attractive folders are responsible for bringing us many visitors from across this state as well as from across the country. The brochures were designed professionally and include some very eye-catching photography by Taylor Lewis, a Norfolk, Va., photographer.

In addition to the overall distribution throughout the state, the brochures have also been mailed upon request to individuals, groups, various chambers of commerce and to other historic sites. It is generally agreed that the brochures play an important role in publicity and it is hoped that a second printing can be made in the near future.

# **Resolution For Mrs. Elizabeth Stevenson Ives**

**September 22, 1979**

In the name of Historic Hope Foundation and its subsidiary, the Friends of Hope Committee.

## **Greetings**

In recognition of the outstanding service which she has rendered Historic Hope Foundation and its historic preservation projects, Historic Hope Foundation and the Friends of Hope Committee do hereby acknowledge their debt of gratitude to

## **Elizabeth Stevenson Ives**

Mrs. Ives, whose early ancestors settled in North Carolina and whose family members have distinguished themselves in the government of the United States in the Foreign Service, the Congress and the Vice Presidency, has made invaluable contributions to the Hope restoration.

Even before Historic Hope Foundation was established Mrs. Ives had shown a keen interest in seeing the mansion and former governor's home saved. The first contribution the Foundation was to receive came from her, a contribution that was unsolicited. Through the years Mrs. Ives' gifts have been numerous and outstanding. These, however, can in no way compare with the time, support and loyalty which she has given to the cause of restoration at Hope Plantation. She has served as Chairman of the Friends of Hope Committee from its organization in 1968 until her resignation this year. Under her leadership the accomplishments of the Friends of Hope have been outstanding. Thousands of dollars have been raised for all phases of the restoration. Her appearance and address before the General Assembly of North Carolina made that august body more aware of the importance of the Hope restoration and greatly enhanced chances of state grants that were to be made later. She has brought state and national recognition by her association alone.

Therefore, be it resolved that for these and her many other efforts in behalf of historic preservation, Historic Hope Foundation and its Friends of Hope Committee express and proclaim their appreciation to Elizabeth Stevenson Ives.

And that a copy of this Resolution be given to Mrs. Ives and also entered upon the minutes of the Historic Hope Foundation and the Friends of Hope Committee.

Done this the twenty second Day of September 1979, at Hope Plantation.

John E. Tyler  
Chairman of the Board

L.A. Bailey  
Chairman of the  
Friends of Hope Committee

Long, Jr., Roanoke Rapids; (rear) Dr. Sellers Crisp, Mrs. Alfred Yongue, and Mrs. James Cheatham, all of Greenville, and Mrs. Virginia Pou Doughton of Raleigh.

## String Quartet of N.C. Symphony Performs at Hope

Hope Plantation hosted on September 21, 1979, its third Musicale, a major fund-raising benefit for the King-Bazemore House that has proved to be very popular among the supporters of Historic Hope Foundation.

Scheduled this year to coincide with the annual Friends of Hope Committee meeting September 22, the Musicale again featured the String Quartet of the North Carolina Symphony. With a program of delightful classical music, the String Quartet performed in the drawing room of the Hope Mansion, lit throughout by candlelight. Members of the Friends Committee, their guests and others enjoyed the formal entertainment as well as the delicious champagne buffet which preceded the affair.

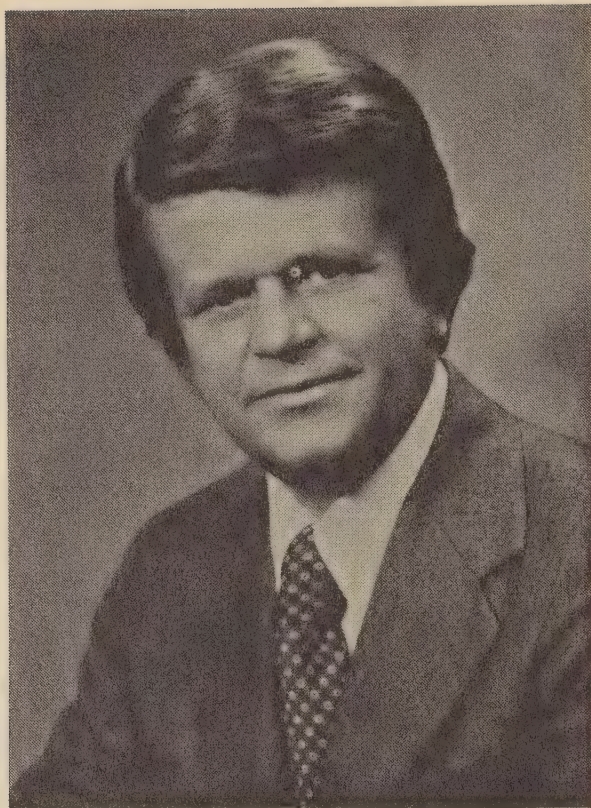

Photo By Helen Urquhart

Enjoying the buffet at the Musicale September 21, 1979, left to right are, The Honorable Thomas H. Matthews, Rocky Mount, Mrs. Thomas Holt, Warrenton, Mrs. Roswald B. Daly, Jr., Windsor, and Mr. Thomas L. Clark, Wilmington, Delaware.

## **Senator Robert Morgan Addresses Annual Friends Meeting**

Visitors to Hope Plantation, having had a first-hand view of the work done here, more often than not are highly impressed with the extent of local involvement and with the "grass roots" organizational concept that has made the restoration what it is today.

Such observations and complimentary remarks are always welcomed. Their importance however is further heightened when delivered by such notable personages as Senator Robert Morgan who was guest speaker at the Friends of Hope Committee annual meeting on December 9, 1978.

Originally from a small town, Senator Morgan identifies with and appreciates the values of rural life, he told members of the Friends Committee. Subsequently, he said, he can view the Hope restoration through the perspective of one who is well-aware of the project's overall significance and impact.

"Historic Hope stands apart from many restoration projects in our state in that you are a private group and the House is privately operated," he said. "The state of North Carolina does not own the site and does not operate the facilities and this is quite an accomplishment."

Continuing, he observed that "this town and this area have never been more alive than they are now, largely as a result of the continuing activities centered around Hope. Thousands of tourists find their way to this area to view the house, many of whom had never visited Windsor or possibly even heard of it."

Earlier in the summer, in fact, Senator Morgan held a reception for the people of the First and Second Congressional Districts. He reminded the Friends, that those people gave "rave reviews."

"You have created a live and on-going community project which involves hundreds of people every year and serves as a source of community pride and spirit. I am here to tell you that this fact makes a difference."

Describing Hope as "a glowing example" of what can be done, Senator Morgan cited the restoration as a "gift to your children, to your grandchildren and to citizens of our state and nation for years to come." He urged the committee to "consider what a great legacy you are creating to leave for those who come after you and I think you will be even prouder of the accomplishments here at Hope."

## Annual Meeting of Friends Committee

The Friends of Hope met at Hope Plantation on September 22, 1979. This meeting was preceded the evening before by a reception, buffet and Musicale which featured the String Quartet of the North Carolina Symphony.

The well-attended meeting was presided over by L.A. Bailey, Chairman, and Mrs. Norman F. Perry, Co-Chairman, Mrs. Ives, who resigned recently as chairman, was praised as a loyal and inspirational leader. Mrs. Ives had been Chairman of this outstanding support group since it was established in 1968 until her retirement this year. A Resolution stating the Foundation's debt of gratitude to Mrs. Ives was read and adopted by those present.

Mr. Bailey, of Rocky Mount, enthusiastically proposed plans for the Friends Committee in Hope's preservation effort. He presented a check to the Hope Endowment Fund as a tribute to Mrs. James M. Tyler for her contributions to Tryon Place, Elizabethan Gardens and Hope Plantation.

John E. Tyler recognized many Friends and guests and introduced new Friends Thomas L. Clark, Wilmington, Del.; Mrs. M.B. Fowler of Kinston; Dr. Banks C. Talley Jr., Raleigh; and Mrs. Marion S. Covington, Raleigh.

John B. Gillam III, President of Historic Hope Foundation, briefly told of the 1979 events. He explained the Foundation's need and hope of finding funds to hire an Executive Director to replace Peggy Daly.

Mrs. E. Rawls Carter, Treasurer of the Foundation, reported the largest membership in Hope's history, more than 765 members. She also announced the appraised value of items in acquisition and thanked the Friends for their efforts in this area. Mrs. Carter reminded all of the value of the Friends Committee to Hope and its many projects.

The Friends divided into pre-assigned groups and returned with the following reports:

The Endowment Committee's report was made by C.M. Beatty Jr. It was suggested that Hope's slide presentation and brochure contain information about Hope's endowment, that other Foundations be explored for gifts, that individuals be encouraged to leave funds for Hope's endowment and that gifts of real property, stocks and personal property as well as cash be encouraged. It was pointed out that all gifts to Hope are tax-exempt.

The King-Bazemore Committee was brought up to date on the progress and plans for this house by H.L. Thompson.

The Publications and Public Relations Committee selected Dr. Banks C. Talley, Jr. and Mrs. Virginia Pou Doughton as co-chairmen. This group discussed many ways in which Hope could be advertised, such as articles written on specific topics relating to Hope and submitted to current magazines. Wider circulation of the brochures and a public snack bar at the plantation were also suggested.

The Library Committee, chaired by Mrs. Sarah Brinson Pope, discussed the inventory list, suggested that the other books on architecture, owned by Governor Stone, be purchased and made plans to have the Inventory List printed and distributed to the Friends.

The Furnishings Committee's report was made by Mrs. James M. Tyler, chairman, who told of the plans to purchase curtains, cushions and floor cloths for the downstairs hall. Plans for a copy of the King inventory were also made. Hope's need of a backgammon table and a case of surgical instruments was discussed.

An interesting slide program on the activities of the Historic Preservation Fund of North Carolina was given by Dr. Banks C. Talley, Jr., President, and Myrick Howard, Executive Director.

# **Secretary of Cultural Resources Commends Support of Bertie County Commissioners**

Local support for Historic Hope Foundation was greatly strengthened this year by an appropriation approved by the Bertie County Board of Commissioners in November. This allocation will be used to fund the position of executive secretary for one year and is in addition to previous funding for the caretaker's salary and one full-time docent's salary. This generous funding ranks Bertie County proportionately among the leaders of local governments that support historic preservation.

Statewide, the pioneer act by a county like Bertie, whose tax base is limited, has merited attention by preservationists and state officials alike. Mrs. Sara Hodgkins, Secretary of the North Carolina Department of Cultural Resources, described the gesture as "a wonderful partnership" between support groups.

"This is a significant thing when the county government recognizes the value of historic preservation," Mrs. Hodgkins said during an interview from her Raleigh office. "It is significant not only from the standpoint of teaching history but also from the economic value gained for Bertie County through the many visitors who come to Hope Plantation."

Recognizing the value of historic heritage forms a "wonderful partnership between local government groups and historic preservation groups, in addition to the bond provided by state and federal support," she said. "When we see that kind of leadership exercised at the county level, such as what the Bertie commissioners have shown, we know that people really care about their heritage because government officials are elected to represent the interests of the people.

"There is evidently," she continued, "a growing awareness on the part of the constituency of Bertie County for historic preservation and the county commissioners there are reflecting that awareness."

The state secretary observed that increased financial demands on local government add hardships to the already difficult task of fiscal policy-making by county leaders.

"In these days of limited resources, I realize that the Bertie County commissioners have many demands for funds. They have had to weigh these demands and they have placed a high priority on this important historic site.

"Their support is remarkable and I think they deserve all the credit they can get," she concluded.

Members of the Bertie County Board of Commissioners to whom Historic Hope Foundation is indebted include Charles H. Edwards, chairman, W.J. Barnacase, T.E. Brown, Joseph W. Spruill and Dancy G. White.

## **Historic Hope Receives First N.C. Museum of History Associates Award**

Historic Hope Foundation, Inc., in April of 1979 received the honor of being named first recipient of the North Carolina Museum of History Associates award.

This \$1,000 award was presented to Hope for excellence in local involvement and programming regarding restoration work done on Governor David Stone's mansion.

Mrs. C. Wood Beasley, a director of Historic Hope Foundation, accepted the award on behalf of the Foundation at the spring Museum of History Associates' meeting. The check, presented by Gov. James B. Hunt Jr., is being used for the King-Bazemore House Restoration.

Hope Foundation was one of 17 nominations considered by the Museum of History Associates. Given annually, the award is set up to benefit locally owned history museums or historic house museums.

## **Resolution for Miss Stella Phelps**

The Historic Hope Foundation, Inc., at its quarterly meeting held on September 19, 1978, expressed its regret and sorrow for the death of Stella Phelps, who departed this life on Tuesday, June 27, 1978. The following resolution in memory of and respect to her is presented for adoption.

Whereas, Stella Phelps was a life time member of Grace Episcopal Church, Woodville, North Carolina, served as secretary-treasurer of the Church Women for forty-five years, and postmaster of the Woodville Post Office from 1941 until 1965, and whereas, she was a charter member and past president of the Bertie County Historical Association. She also served as Township Chairman for Woodville, and whereas, she was a charter member and director of Historic Hope Foundation, Inc. For many years she rendered unselfish services and donated valuable gifts to the restoration of the Hope Mansion and to the principles and ideals of the Hope Foundation.

Therefore be it resolved, that the Board of Directors of the Historic Hope Foundation, Inc., do hereby acknowledge with gratitude and sincere appreciation the contributions of Stella Phelps.

Let a copy of this resolution be spread upon the minutes of the Historic Hope Foundation, Inc.

John E. Tyler  
Chairman of the Board

John B. Gillam III  
President

## Loan Acknowledgments

The Historic Hope Foundation gratefully acknowledges its appreciation to the following persons for their loans to the Hope Restoration:

Mrs. M.B. Burch, Edenton

The Honorable W.H.S. Burgwyn, Jr., Woodland

Mr. and Mrs. Joseph B. Cherry, Windsor

Mrs. Carlton G. Gillam, Windsor

Schley Harden, Windsor

George C. Jennings, Windsor

Carroll Minton, Roxobel

North Carolina Museum of History, Raleigh

Harry Lewis Thompson, Windsor

Mrs. John Thompson, Wilson

Mr. and Mrs. John E. Tyler, Roxobel

## Hope Foundation Receives Bequest

Mrs. Mary Pritchard Askew, who died in 1979, left in her will a bequest of five hundred dollars for the benefit of Historic Hope Foundation. This is the first occurrence of the Foundation being donated funds by will. The Foundation is indebted to the late Mrs. Askew for her interest in its work and the support she has provided by her will for its future. Her bequest has been designated for the Foundation's Endowment Fund.

## King-Bazemore House Restoration

Visitors to Hope can expect to see a "tremendous improvement" in work on the King-Bazemore House by early spring, report members of that committee. Restoration of the mid-18th century dwelling, which was moved to the Hope property in March 1978, is now in the electrical and plumbing phases, both of which are prerequisite to foundation brickwork.

Harry Lewis Thompason, chairman of the King-Bazemore House Committee, said W.M. Kemp, the contractor-craftsman in charge of the restoration, has arranged for the masonry work which will begin as soon as the other phases are completed. Weather conditions, however, will play a critical role in the masonry schedule as a 16-hour drying period of above-freezing temperatures is required for the deep, solid brick wall that will comprise the home's foundation and cellar.

Some 20,000 custom-made brick in six shades have been delivered to the restoration site. Under Mr. Kemp's direction, masons will select and hand-fit each brick to match patterns found in the original brick ends which are still intact. Once this work begins, the foundation should be completed within about three months and carpenters can proceed with weather-boarding and other construction details that will give the King-Bazemore House the look of permanence.

# Activities During 1978

**The past two years have been eventful ones for Historic Hope in a number of ways. Following are a few observations from President John B. Gillam III's annual newsletter to all members:**

January — The sixth biennial Governor Stone Ball in 1978 netted \$14,385.44, all of which was allocated to maintenance of the Hope property, enabling it to continue operating in the black. Mrs. Marshall Kilpatrick Jr. was that year's chairman of the ball, a major fund-raising event.

---

March — The relocation of the King-Bazemore House to the Hope property was an important move, one that will eventually strengthen the educational program here. This 1763 dwelling, a rare example of early North Carolina architecture, will be restored by W.M. Kemp, the master craftsman who so faithfully restored the Hope mansion to its original grandeur. Custom-made foundation brick, in six shades to match existing brick, are now on site, awaiting the initial steps toward restoration.

---

April — Hope's first "Springtime on the Plantation" was most successful, gaining more than \$3,270 to be applied to the King-Bazemore House restoration. The benefit's relaxed country format of barbeque and square dancing appealed to many and was repeated the following year. Mr. and Mrs. J. Peter Rascoe Jr., Mr. and Mrs. Stephen Burch and Mrs. and Mrs. Linnie Perry II were chairmen.

---

December 9 — The Friends of Hope Committee's annual meeting was held here with Senator Robert B. Morgan as guest speaker. Members enjoyed a preview of the Christmas decorations arranged for Open House.

---

December 10 — Christmas Open House in 1978 was held December 10 and was attended by hundreds of visitors from throughout eastern North Carolina. The work of more than 100 volunteers helped make the event a success, as did favorable publicity, such as that provided by WITN television, Washington, N.C. on its Hospitality House program. Mrs. Al Baker of Colerain was the 1978 Christmas Decoration Committee chairman.

---

December 11 — The December board meeting and annual Christmas party was "A Tribute to Esther Harris Smith," the patron responsible for saving Hope Plantation from dismantlement. In 1965, she encouraged her late husband, Joseph E. Smith, M.D., to sell the property to the Foundation for restoration and preservation. The couple also contributed the last \$5,000 of the purchase price to the Foundation.

## Activities During 1979

January/February — A policy enacted last January to close the plantation for two months to reduce heating costs will be repeated in 1980. The plantation reopened March 1, 1979.

April — Hope Plantation's second annual "Springtime on the Plantation" was again successful and netted \$3,538. Chairmen for the 1979 event were Mrs. J. Peter Rascoe Jr. and Mrs. Stephen R. Burch, both of Windsor.

---

May — Notice of a promotional and planning grant from the State of North Carolina was received by Hope in May. This grant will be used to prepare a narrative that will accompany an audio-visual slide program.

---

June — Executive secretary Mrs. Peggy Bell Day was on maternity leave from June 1 through July 31 but, shortly after returning to work, moved with her husband to Craven County where her husband joined a new law firm. Also in June, a docents committee, composed of a group of volunteers, was formed to help the regular hostesses with group tours.

---

July — The 1979 membership drive has been the most successful campaign to date. Total membership now numbers more than 765, with annual dues of \$5.00 per member.

---

August — The ladies "necessary" was completed and mid-April 1980 has been set as the date for completing the adjoining men's rest room. Mrs. Norman F. Perry of Colerain is chairman of this project.

---

September — Hope's third Musicale was a candlelight occasion featuring the String Quartet of the North Carolina Symphony. The musical program was preceded by a reception and buffet supper. On the following day, the Friends of Hope Committee's annual meeting was held, with L.A. Bailey of Rocky Mount presiding as new chairman.

---

November — The Bertie County Board of Commissioners voted to appropriate funds for employing two part-time employees to fill the vacant position of executive secretary. Serving in dual capacities are Betsy P. Overton of Ahoskie and Helen H. Urquhart of Lewiston.

---

December — A most successful Open House was held at Hope on December 9 to welcome the Christmas season. Mrs. Robert C. Jenkins of Ahoskie was chairman of the 1979 Christmas Decorating Committee.

**The Green Grass Cloggers of Greenville swing their partners to the bluegrass music of the Home Town Boys at Hope's 1979 Springtime on the Plantation.**

# Springtime on the Plantation

For the past two years, Hope has hosted "Springtime on the Plantation," a successful fund-raising benefit for the King-Bazemore House restoration.

The April springtime festival, which has become an annual affair, contrasts with the biennial Governor Stone Ball in that it is a dress-down, "hoe-down" affair. Blue jeans and gingham rather than black tie and sequins are the favored attire and the food is strictly country. Menus from the past two years have included barbequed chicken, roast pork, potatoes, corn bread and slaw, along with plenty of ale to wash it all down.

Foot-stomping entertainment, with blue grass bands and professional mountain clogging, has also been a main item for the springtime celebration, which begins at 5 p.m. and continues into the early morning out in the plantation's parking lot.

Last year's entertainment featured music by the Home Town Boys and dancing by the Green Grass Cloggers of Greenville.

The \$25 per couple affair has netted a total of \$6,758 during the two years it has been held and promises to be an important source of restoration funding in the future.

## Docents Committee Formed

The addition of a Docent Committee, formed last summer, has greatly aided the educational tour program at Hope Plantation. Called upon to assist the regular hostesses during times of group visits and other occasions, the docents represent a group of trained and enthusiastic volunteers.

Tour expertise and helpful suggestions were extended to the committee by Mrs. Janice D. Williams, Docent Coordinator for the North Carolina Museum of History in Raleigh, who addressed the group at Hope in June.

Members of the Docent Committee include Mrs. David Jennette of Windsor, Mrs. Henry Alston of Windsor, Mrs. John C.P. Tyler of Roxobel, Mrs. Al Baker of Colerain, Mrs. H.C. Boschen of Kelford, Mrs. Larry Overton of Ahoskie, Mrs. Julian Taylor of Ahoskie, Mrs. John Pegram of Roxobel and Mrs. Burges Urquhart IV, chairman, of Lewiston.

## **Ball Chairman's Greeting**

To all of our guests, it is with great pleasure that we welcome you to the 1980 Governor Stone Ball. This is our opportunity to express to you our appreciation for your wonderful support of the Historic Hope Foundation. It has been your dedication that has made the many achievements of the Foundation possible.

I wish to express my sincere thanks to all of those who have worked so tirelessly in making this an enjoyable evening for all of us. Their cooperative spirit and long hours of diligent work are greatly appreciated.

Mrs. Joseph Blount Cherry  
Chairman, Ball Committee

## Bo Thorpe & Generation II

Hope Foundation is pleased to have the popular and nationally recognized Bo and Generation II to provide the music for the 1980 Governor Stone Ball.

Founded and led by Henry "Bo" Thorpe of Rocky Mount, N.C., Bo and Generation II offer a return to the Big Band sound — which creates nostalgia among the Glenn Miller-Tommy Dorsey generation — and, at the same time, appeals to the younger generation with their renditions of contemporary disco and pop music.

Bo and Generation II premiered at Regines, the well-known New York discotheque, in 1978. They have since performed at such diverse occasions as the Belmont Stakes Ball, the West Point Graduation Ball, the 100th Anniversary Philadelphia Charity Ball, the North Carolina Museum of Art Beaux Arts Ball, a three-week stint at the Yankee Riverboat (New York's largest nightclub), and as the feature band on the six-hour Danny Thomas Benefit Telethon on national television.

Coca Cola recently honored the band as their first USA Spotlight Orchestra in 30 years. The last group to receive this distinction was the Benny Goodman Band.

**Chinese tureen and cover with boar head handles, circa 1810 (overall dimensions 14 inches long by 8 inches high). This heavy pottery was made in abundance at factories near Canton, China, for the American trade after our independence from England. It was a very inexpensive ware found in many homes during the 19th century. This is part of a collection on loan at Hope Plantation.**

# **Resolution for Wayland L. Jenkins, Jr. December 9, 1978**

In the name of Historic Hope Foundation and its subsidiary, the Friends of Hope Committee,

## **Greetings:**

In recognition of the outstanding services which he has rendered Historic Hope Foundation and its historic preservation projects, Historic Hope Foundation and the Friends of Hope Committee do acknowledge their debt of gratitude to Wayland L. Jenkins, Jr.

Mr. Jenkins, whose family has resided in the Albemarle section of North Carolina since early colonial days, has always been proud of the heritage of his area. When Historic Hope Foundation was established in 1965, he was a charter member and served as its First President, until 1969. Since then he has served as Co-Chairman of the Friends of Hope until his resignation in the fall of this year.

Under his leadership the accomplishments of the Hope Foundation and the Friends Committee were outstanding. Mr. Jenkins through the years has given unselfishly of his time, talents and finances. His promotional efforts and fund raising ideas carried the Foundation through its early crucial years. In 1974 his concern for the future maintenance of the Hope Mansion led him and his immediate family to give the Foundation a most valuable business property in the town of Windsor. The purpose of the gift was to secure the continuity of the operation of Hope Plantation as a house-museum for the benefit of the public.

He has brought to the Friends Committee many interested and generous members, whose support like his own has been a major factor in the success of the restoration efforts of the Foundation.

Therefore, be it resolved that for these and his many other efforts in behalf of historic preservation in the Roanoke-Chowan area, Historic Hope Foundation and its Friends of Hope Committee express and proclaim their appreciation to Wayland L. Jenkins, Jr.

And that a copy of this Resolution be given Mr. Jenkins and also entered upon the minutes of the Historic Hope Foundation and the Friends of Hope Committee.

Done this the 9th Day of December, 1978, at Hope Foundation.

John E. Tyler  
Chairman of the Board

Mrs. E.L. Ives  
Chairman of the  
Friends of Hope Committee

## Jenkinses Donate Second Property to Foundation

In December of 1979, Wayland L. Jenkins and Mr. & Mrs. Joseph Henry Jenkins of Aulander donated to the Historic Hope Foundation the Charles H. Jenkins business property located on Commerce Street in Aulander. In 1975 the Jenkinses gave to the Foundation the Charles H. Jenkins property in Windsor. Both of these outstanding contributions are given as memorials to Charles H. Jenkins, Bertie County's pioneer in the automoxile industry and uncle to the donors. The income realized from these impressive gifts will be of the greatest importance to the future operation and maintenance of the historic properties of the Foundation. The Board of Directors for the Hope Foundation expresses its sincere appreciation to the Jenkinses for their most generous donation.

## **Christmas Open House At Hope**

The seventh annual Christmas Open House at Hope Plantation this year drew an unprecedented crowd of visitors who came to see the period decorations which graced the restored mansion throughout the holidays.

Arriving individually, in groups and by bus, more than 450 people participated in the annual observance, held this year on Sunday, December 9, from 1-6 p.m. Visitors enjoyed not only the traditional displays of greenery, nuts and fruits but also a wonderful program of Christmas music, performed by the Ensemble of the Bertie Senior High School Chorus.

Refreshments of hot cider and ginger cookies were served to all in the mansion's basement.

Christmas at Hope this year was the most successful ever and the Foundation is indebted to all who made this important undertaking possible.

The decorations remained in place during the remainder of December for the benefit of the many groups and individuals who visited Hope after the Open House.

## **Resolutions for Esther Harris Smith**

BE IT RESOLVED that this resolution be entered upon the minutes of the Board of Directors of the Historic Hope Foundation, Inc. in honor of Mrs. Joseph E. Smith, Director of said Foundation and its firm friend and generous patron.

WHEREAS Mrs. Joseph E. Smith was born Esther Harris on December 11, 1893, the sixth child of William Henry and Alice Gibson Pearson Harris.

AND WHEREAS Esther Harris was married to Dr. Joseph E. Smith in 1932.

AND WHEREAS Esther Harris Smith has spent her eighty-five years serving the people of the state of North Carolina.

AND WHEREAS Esther Harris Smith has since 1932 given of herself — her time and talents — to the people of Bertie County.

AND WHEREAS Esther Harris Smith and her late husband, Dr. Joseph E. Smith, generously sold the Hope mansion to the Historic Hope Foundation, Inc. in 1966.

AND WHEREAS the Hope mansion was restored by the Historic Hope Foundation, Inc. and opened to the public in 1972.

AND WHEREAS Esther Harris Smith's dutiful influence and generous contributions have been instrumental in the very existence of the historic Hope mansion.

AND WHEREAS Esther Harris Smith's gracious person and warming personality have added to the rich history of the Historic Hope Foundation, Inc. and its Board of Directors.

AND WHEREAS Esther Harris Smith has been a member of the Historic Hope Foundation, Inc. Board of Directors since 1968.

THEREFORE, BE IT RESOLVED and properly recorded that Esther Harris Smith be thanked for all that she has done for the Hope restoration and that her years of loyalty, devotion, and friendship for her beloved Hope be properly noted and that the title of GUARDIAN OF THE HOPE MANSION be bestowed upon her this the eleventh day of December, One thousand nine hundred and seventy-eight.

## **We're planting trees by the millions!**

New High Yield Forests are vital to our future, so we plant millions of seedlings annually.

Fortunately for us, forests are renewable, because the equivalent of a 100-foot tree is needed every year for every man, woman and child in the nation – for lumber, plywood and other wood panels, paper, packaging and the many other products made from wood and wood fiber.

In addition, forests provide recreational opportunity, return oxygen to the air, protect watersheds and are a habitat for wildlife.

**English cream ware plate (9½ inches diameter), circa 1790. The Chinese scenic decoration in deep blue illustrates the Orinetal influence on Western culture in the eighteenth century. (One of a set of six located in the dining room at Hope Plantation.)**

## **Rest Rooms**

The handsome ladies rest room now in use has been a long-awaited addition to Hope Plantation. Completed in August of 1979, the ladies "necessary," located in the restored meathouse, features simple rustic decor and facilities for the handicapped.

Adjacent to the ladies room in the same building is the men's rest room, now under construction but with a projected completion date of mid-April of this year.

The overall project has been costly but will prove to be an invaluable convenience to Hope's many visitors.

## The Dare IV saves America's energy and your money.

### We think that's important.

Saving energy. It's important these days. We don't have the energy or money to waste. The Dare IV by Harrington helps save both. The use of alternate fuels such as wood is very important. Burning wood is something Dare IV knows all about. The Dare IV works so well because it's made so well. It's heavy duty precision design and engineering is unequaled by any competitor. Like exclusive JET VII circulation systems, unique air equalization, front mounted blowers and much more. If you're serious about saving energy, then the Dare IV is for you.

## The Dare You Can Afford To Take.

Using the highest quality materials available, and constructed according to the highest standards, the Dare IV is designed to give you years of efficient, economical service. Harrington hopes you will enjoy your Dare IV and reminds you to follow all safety rules when using the Dare.
